MASTERCARD AUTOMATIC BILLING UPDATER PROGRAM- MasterCard Automated Billing Updater (ABU) is used by participating merchants to ensure they have the latest card information (for example, account number/expiration date) on file to process recurring payment and account on file transactions. By automatically maintaining the accuracy of card holder data, MasterCard ABU helps prevent disruptions in merchant services due to account changes. It can extend the life of account on file automatic recurring payment arrangements.

CURRENCY CONVERSION - Mastercard®. If you perform transactions with your card with the Mastercard® logo in a currency other than US dollars, Mastercard International Inc. will convert the charge into a US dollar amount. At Mastercard International they use a currency conversion procedure, which is disclosed to institutions that issue Mastercard®. Currently the currency conversion rate used by Mastercard International to determine the transaction amount in US dollars for such transactions is based on rates observed in the wholesale market or government-mandated rates, where applicable. The currency conversion rate used by Mastercard International is generally the rate of the applicable currency on the date that the transaction occurred. However, in limited situations, particularly where transactions are submitted to Mastercard International for processing are delayed, the currency conversion rate used may be the rate of the applicable currency on the date that the transaction is processed.

IMPORTANT ADDITIONAL FEE NOTICE. Mastercard® charges us a Currency Conversion Fee of 0.20% of the transaction amount for performing currency conversions and a Cross-Border Fee of 0.90% of the transaction on all cross-border transactions (even those with no currency conversion). Therefore, you will be charged 1.10% of the dollar amount on all cross-border transactions - i.e., transactions processed through the "Global Clearing Management System" or the "Mastercard Debit Switch" when the country of the merchant or machine is different than your country as cardholder. NOTICE OF RIGHTS AND RESPONSIBILITIES

The use of any electronic fund transfer services described in this document creates certain rights and responsibilities regarding these services as described below.

RIGHT TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS.

TERMINAL TRANSACTIONS. Upon completing a transaction at an electronic financial terminal you will receive a receipt or record of the transaction (unless you have chosen not to get a receipt). These receipts (or the transaction number given in place of the receipt) should be retained to verify that a transaction was performed.

PERIODIC STATEMENTS. If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case you will receive your statement at least quarterly.

OTHER RIGHTS TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS. Electronic Delivery of periodic statements: By accepting the terms of the online banking agreement you are accepting electronic delivery of the periodic statements for all your Harvest Bank accounts. This means that you may not receive the periodic statements in hard copy unless requested by you at a later date. You may withdraw consent for electronic delivery of statements. To withdraw consent or to provide updated information on how the bank may contact you electronically, you must write to Harvest Bank at PO Box 70, Kimball MN 55353.

PREAUTHORIZED DEPOSITS. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company:

- you can call us at (320)398-3500 to find out whether or not the deposit has been made.

USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN"). In order to assist us in maintaining the security of your account and the terminals, the Debit Card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your Debit Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction, including any available line of credit. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to another account; you agree to pay us the amount of the improper withdrawal or transfer upon request.

Certain transactions involving your Debit Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify HARVEST BANK immediately if your Debit Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your Debit Card or to write your PIN on your Debit Card or on any other item kept with your Debit Card. We have the right to refuse a transaction on your account when your Debit Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your Debit Card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised. You may change your PIN

By calling 1-800-717-4923 to self-select a new pin number. You will be asked to provide information from your card and the last 4 digits of your social security number. You must call from a phone number you provided to us when you applied for your card.

We must receive your call or written request at least three (3) business days prior to the scheduled payment. If you call, please have the following information ready: your account number, the date the transfer is to take place, to whom the transfer is being made and the amount of the scheduled transfer. If you call, we may require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

NOTICE OF VARYING AMOUNTS. If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS. If you order us to stop one of the payments and have provided us with the information we need at least three (3) business days prior to the scheduled transfer, and we do not stop the transfer, we will be liable for your losses or damages.

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

CONSUMER LIABILITY. Tell us at once if you believe your Debit Card or PIN or internet banking access code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit, if applicable).

FOR CARDS. We shall be liable for all unauthorized withdrawals unless the unauthorized withdrawal was due to the loss or theft of your Debit Card, in which case you shall be liable, subject to a maximum liability of \$50.00, for those unauthorized withdrawals that you or a member of your family or household derived no benefit made prior to the time we are notified of the loss or theft. The limitation on liability is effective only if we are notified of the unauthorized charges contained in a periodic statement within sixty (60) days of receipt of the periodic statement by the person in whose name the Debit Card is issued.

FOR UNAUTHORIZED TRANSFERS. The limitations on your liability for unauthorized transfers described in the following paragraph do not apply to preauthorized automatic payments from your checking account(s), savings account(s), money market account(s), and NOW account(s). Unless you have complied with the procedures to stop the preauthorized payment described above, your liability for such unauthorized transfers is unlimited.

If your statement shows transfers you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the periodic statement or receipt was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you may not get back any money in your account, if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING CHECK CARD. The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the Mastercard® branded card.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your Mastercard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.

TRUTH IN LENDING DISCLOSURE. You may be liable for the unauthorized use of your Debit Card to access a line of credit. Please refer to your Line of Credit Agreement for disclosures related to your liability for unauthorized use.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

LIABILITY FOR FAILURE TO COMPLETE TRANSACTION. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages as provided by law. However, there are some exceptions. We will NOT be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would result in your exceeding the credit limit on your line of credit, if you have one.
- If the electronic terminal was not working properly and you knew about the breakdown before you started the transfer.
- If circumstances beyond our control (such as fire or flood, computer or machine breakdown, or failure or interruption of communications facilities) prevent the transfer, despite reasonable precautions we have taken.
- If we have terminated our Agreement with you.
- When your Debit Card has been reported lost or stolen or we have reason to believe that something is wrong with a transaction.
- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction.

There may be other exceptions provided by applicable law.

RIGHT TO BRING CIVIL ACTION. You may bring a civil action against any person violating any provision of Minnesota Statutes Sec. 47.69 (governing consumer privacy and authorized withdrawals). If you prevail in such an action, you may recover the greater of your actual damages or \$500.00. You may also be entitled to recover punitive damages, your court costs, and reasonable attorney's fees.

Other fees may apply. Please reference your Truth is Savings Disclosure and the Fees and Charges Addendum.

DISCLOSURE OF ACCOUNT INFORMATION. We will disclose information to third parties about your account or electronic fund transfers made to your account:

1. Where necessary to complete a transfer or to investigate and resolve errors involving the transfer(s); or
2. In order to verify the existence and condition of your account for a third party such as a credit bureau or merchant; or
3. In order to comply with government agency or court orders; or
4. If you give us your permission in a record or writing.

CONSUMER PRIVACY. To protect the privacy of our customers using electronic financial terminals, including any supporting equipment, structures or systems, information received by or processed through such terminals, supporting equipment, structures or systems shall be treated and used only in accordance with applicable law relating to the dissemination and disclosure of such information. The person establishing and maintaining an electronic financial terminal, including any supporting equipment, structures or systems, shall take such steps as are reasonably necessary to restrict disclosure of information to that necessary to complete the transaction and to safeguard any information received or obtained about a customer or a customer's account from misuse by any person manning an electronic financial terminal, including any supporting equipment, structures or systems.

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your Debit Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.
